State Licensed Dispensaries

SWC Dispensary Rules

1. All patients must arrive alone and leave alone, unless accompanied by their designated and registered caregiver, or another verified AZ patient.
2. No one under the age of twenty-one (21) shall be allowed to enter the dispensary per City of Tempe regulations. Under 21 patients can receive deliveries to the lobby.
3. No cell phone use or backpacks are allowed inside the facility. All backpacks or bags will be held by the receptionist.
4. All hats, sunglasses, and other hindrances to identification will be removed before authorization to enter the facility.
5. All patients are under video and audio surveillance by HD cameras recording 24 hours a day, 7 days a week. All video footage is kept off-site. No bulk medicine is kept onsite.
6. No money is to be exchanged inside the facility between other patients.
7. No loitering around the premises is permitted. Signage is posted as required by Tempe PD.
8. The medical marijuana must be used for medicinal purposes only and must not be used or smoked in public places.
9. Medical marijuana must not be diverted to anyone who has not registered as a medical marijuana patient or designated caregiver with the AZ Department of Health Services.
10. All patients agree to keep all medication locked up in a safe place at all times.
11. Automobiles, machinery and heavy equipment must not be operated while using medical marijuana medication.
12. The dispensary hours of operation will be given as well as information about the Company website.
13. Patients are restricted to purchasing no more than two and one half ounces (70 grams) during any 14-day period.
14. Eligibility for purchase will be confirmed on the AZ Department of Health Services secure database.
15. A frequent patient rewards program exists and cards will be given to each new patient or designated caregiver for special consideration and promotions towards all future purchases.
